

Helen Cunningham

1/96 Ridgeway Rd Avoca Beach

Helen would love you to see her new studio space, having recently moved from large family home to a small villa. She is very grateful her husband leaves his Mercedes wrapped up outside so as the garage can be used as her creative space.

Please do park on street and walk down driveway as we are part of four villas and we share our driveway. Thank you in advance.

Recently Helen was accepted into the Kuring-gai Art Society and enjoys exhibiting with them as well as her local Central Coast Watercolour Society. In 2015 Helen's painting "Newsworthy" was hung at the Gosford Art Prize exhibition. She sold the watercolour version of this, however you can see the larger version in her home. She also received an award for her painting "Dock of the Bay". Helen is off to Florence shortly for more inspiration.

It is with pleasure Helen has Norma Dunston sharing her space, as Norma has also downsized recently. Hoping you will come and join us on our open studio days.
